Dear Ms. Jones:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 362155.

The Texas Board of Veterinary Medical Examiners (the "board") received a request for information pertaining to a specified complaint. You state you have provided some of the requested information to the requestor. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information that another statute makes confidential. You claim the submitted information is confidential under section 801.207 of the Occupations Code. Section 801.207(b) provides that "[a]n investigation record of the board, including a record relating to a complaint that is found to be groundless, is confidential." Occ. Code § 801.207(b). You state the submitted information relates to a complaint filed with the board and its subsequent investigation. Based on your representation and our review, we conclude the submitted information is confidential under section 801.207 of the Occupations Code and must be withheld from disclosure under section 552.101 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
